

Dear Parents,

I am writing to inform you of an opportunity to help the current 7th grade class. As you know, the 8th grade class travels to Washington, D.C. each year. You also know it takes all of us to get them there! We are starting now to raise funds for the trip next year as well as for the 7th grade class trip to Chicago this year. There will be many fundraisers throughout the next year; but, we believe they are mostly activities that will benefit you as well. Our ideas include Community Nights at local restaurants and ice cream shops; serving meals and opening the concession stand at school events; and, of course, providing babysitting at Christmas and Valentine's. We're looking at other exciting opportunities, too; don't worry, though, the dodgeball tournament will still be happening! Look for a list of all the dates at Back-to-School night this fall.

This month, Monical's Pizza is having us over! Next Tuesday, April 21, invite your friends and family, arrange it with the baseball team and stop by after volleyball practice to have lunch, dinner, dessert or a late night snack over at Monical's on 86th St. in the Traders Point Shopping Center (directly south of the movie theater). So, head over to Monical's next Tuesday, April 21. They are open from 11:00am-10:00pm. You will need to bring with you the attached guest check on the opposite side of the page.

Thanks for supporting the Traders Point Christian Academy class of 2014 in their endeavors!

Angie Campbell
Secondary Parent Volunteer Coordinator

Andy Bengs
Director of Development

Monical's Pizza is proud of our staff, food, and the service we provide to the community. We couldn't do it without your help, and now we would like to say thank you in another way.

This is how you do it: you, your family, your friends, and your neighbors come to the Trader's Point Monical's located at 6010 W. 86th Street for a delicious meal on Tuesday, April 21st. In return, Monical's Pizza will donate 20% of each check accompanied by this flyer to your organization.*

It's that simple!
